

LYNNWOOD PARK REVITALIZATION

Lynnwood's wood playground is up for renewal.
Join Lynnwood Community League and
Lynnwood School as we create a beautiful
space that welcomes everyone. Let's do this!

WE ARE 75% THERE

With pending grants it's
almost 90%. We can do this!
It's time to find some BIG
donors.

OUR CURRENT PARK IS OLD

Playgrounds have a 20-25 year
lifespan. Ours is 24 years old. This
means the City can stop replacing
parts and simply remove them.

IMPROVEMENTS!

- True accessibility for mobility and neurodiversity. The current sand and stairs are not.
- A new path to connect with the school.
- Beautiful existing trees will stay.
