

## Lynnwood Playground Redevelopment

June 2025

Playgrounds foster outdoor recreation for children, community members and people of all ages and abilities. To meet the needs of this community, the City of Edmonton is improving the playground in Lynnwood Park.

This project consists of replacing the existing playground equipment and upgrading other amenities. The playground will not only feature new and exciting play equipment, but will also incorporate universally accessible design elements, ensuring that everyone can enjoy the space.

This work is being done as part of the City's Neighbourhood Park Development Program and is possible in part due to the fundraising effort by the residents of Lynnwood.

### Construction impacts

Construction is scheduled to begin July 7 and is anticipated to be complete in fall 2025. The existing playground and a portion of the park will be closed for the duration of construction. *(Please see the map on the other side of this notice.)*

Residents in the neighbourhood may experience increased noise levels and traffic around the area. All construction will take place during the hours of 7 a.m. to 9 p.m. Monday to Saturday, according to the Community Standards Bylaw. Construction equipment and materials will be stored near the work area.

### **PLEASE RESPECT ALL SIGNAGE AND OBEY STAFF DIRECTION IN THIS ACTIVE WORK ZONE.**

If you have questions or concerns about this work, please contact Project Manager Jason Crone at [BuildingGreatNeighbourhoods@edmonton.ca](mailto:BuildingGreatNeighbourhoods@edmonton.ca)
